SN135 SERIES

MULTI SLIDE DOOR SYSTEM

BASIKWALL
GLASS MOVING WALL | DOOR & WINDOW

The SN135 Series is BasikWall's most innovative, symmetry, strength and performance. This line allows panels to go very wide and tall, provides optimal aesthetic, performance and value.

SN135 Series offers unlimited possibilities with corner, pocket, and multi stacking door configurations

The SN135 Series provides superior thermal and structural performance using a 2mm thick thermal-break aluminum profile. The SN135 Series is perfect for areas with large openings, creating seamless transition between your indoor and outdoor space. The SN135 Series Multi Slide Door System is the perfect choice residential project as well as commercial projects.

BasikWall strive to provide solutions for projects Moving Glass Wall System immediately as well as custom built-to-orders. SN135 Series is **available in Stock**.
